

GENERAL INFORMATION

École Polytechnique Internationale Privée "Polytech Intl" is a Tunisian private university that was created in 2013 and approved by the Tunisian Ministry of Higher Education and Scientific Research to provide engineering and architecture training.

ACCREDITATION & QUALITY MANAGEMENT CERTIFICATION

Polytech Intl has been labelled EUR-ACE by the Commission for Engineering Titles (CTI-France) for computer science and mechatronics since 2018. Polytech Intl thus became the second accredited private school and the only one in the field of mechatronics.

Polytech Intl obtained this year ISO 21001: 2018- certification. ISO 21001 Certification: 2018- is the world's first international management system standard for educational institutions. This standard focuses on the improvement and the enhancement of educational services and products. Furthermore, our school obtained also ISO 10002 and ISO 9001 certifications in July 2020 after one week of DQS audit.

UNIVERSITY DEGREES AND PROGRAMS

National Diploma of Architect

(BIM)
Master's Degrees in Building Information Modelling

Industrial Engineering

Mechatronic Engineering

Computer Engineering, Network and Multimedia

Information Systems and Software Engineering
Big Data and Business Intelligence

Students must demonstrate that they have a B2 level in English.

ACCOMMODATION

Once the student arrives in Tunisia, he is welcomed at the airport and taken care of by the student life department.

Assistance will be provided during the first week of his arrival by the international student service. It will seek to ensure him the best housing conditions.

EXCHANGE PARTNERS

LIFE IN TUNISIA

Tunisia is one of the cheapest countries in the world. The currency is the dinar. It has a Mediterranean climate that is characterised by a dry, hot summer and fresh, humid winters.
